ART EXPO REPORT

Thank you to the 79 Artists who entered, and especially to those who entered for the first time. A total of 333 paintings were displayed in our recent ART EXPO and 51 of these were entered into the TRUSTPOWER/TSA SUPREME ART AWARD.

This was another amazing, successful Expo with over 1,000 local and out of town visitors attending over the five days. The variety and standard of work was exceptional.

A record 60 works of Art were sold – from small to very large. The buyers really appreciated the concept of ‘cash and carry’, with many comments from the public that they look forward to being invited to the ‘Preview’.

For those not entering this time, and for those that did not sell – keep entering – your time will come.

Our next Expo – the Original Art Sale – commences on the 26th October 2016 – Start painting now – this is an exceptional opportunity for our members to showcase and sell their work.

Grateful thanks to our sponsors TrustPower, Creative Communities NZ Tauranga, Ultimate Motor Group, Cooney Lees Morgan, Brookfield New World, Warehouse Stationery Cameron Rd, Tauranga. Without these Sponsors we would not be able to stage such an amazing ART EXPO.

Book Review:

MASTERSTROKES PASTEL. BY HAZEL HARRISON. REVIEWED BY JUDITH ROBINSON.

Masterstrokes is a great book for beginners interested in learning how to pastel with a step by step guide. Beautiful reproduced works by famous artists are analysed in detail to reveal their secrets of technique, composition and colour.

Masterstrokes Pastel shows, with Illustrations, the method of the great Masters on painting landscapes, skies, portrait, still life, and nudes by such artists, as Edgar Degas, Vincent Van Gogh, John Constable, J M W Turner, Claude Monet,

Gustave Courbet, and Maurice Quentin De LA Tour.

In each section, specially commissioned modern pastel artists show a step by step, illustrated tutorial on how to apply the teaching points of the old masters. There is also a section with advice on different pastels, papers, and other equipment, comprehension, techniques and demonstrations with extra art works to guide you through the different ways of creating your desired image.

Signed by your librarian, Judith Robinson, Ph. 075721101 and with the assistance of Deanna Flood.

ACKNOWLEDGING OUR SOCIETY

We are so fortunate in having a large number of very successful artist members who achieve stunning results in many areas, and win recognition at prestigious local and national events and competitions. We often see interviews of our members in newspapers and magazines and applaud their success. We are proud of our association with these successful artists.

It would be much appreciated if our winning artists acknowledged the Tauranga Society of Artists in their interviews. This would provide a real boost to the Society's standing and would act as a wonderful marketing tool for our reputation.
